**BACKGROUND**

This amendment programs \$601,000 in FY 2001-02 from Alameda County's Unprogrammed Share Balance towards a \$679,000 project for retrofitting wheelchair fasteners on Alameda Contra Costa Transit District buses.

This project will retrofit wheelchair securements on AC Transit District buses used in fixed route services. The planned retrofit will provide a safer and easier use of securement to address issues raised by AC Transit's Accessibility Advisory Committee.
